Skills

- **Languages**: C++, JavaScript, PHP, Java, C
- **Frameworks**: React.js, Node.js, Spring Boot,Tailwind CSS, HTML/CSS
- **Tools/Platforms**: MySQL, MongoDB, Postman, VS Code
- **Soft Skills**: Problem-Solving, Team Player, Adaptability, Leadership

Projects

- **Cost-Effective Parking Solution | GitHub |** Oct '25 – Dec '25
  - Developed a full-stack web application to manage parking spaces efficiently using **React** and **Tailwind CSS** for a responsive user interface.
  - Built the backend logic with **Node.js** to handle real-time slot allocation and pricing.
  - Integrated **MYSQL** database to store user records and parking history securely, reducing manual effort and wait times.
  - **Tech:** React, Node.js, Tailwind CSS, MySQL, HTML.

- **Realtime Sport Scoreboard – Web Application | GitHub |** Feb '25 - April '25
  - Designed a dynamic sport management platform to display live match scores and statistics.
  - Used **PHP** for server-side processing and **MySQL** to maintain a database of teams and match logs.
  - Created an interactive frontend using **HTML, CSS and JavaScript** that allows admins to update score which reflect instantly on the viewer's screen.
  - **Tech:** HTML, CSS JavaScript, PHP, MySQL.

Training

- **Summer Training – C++ Programming: OOPs and DSA | CSE Pathshala | Link |** June '25 - July '25
  - Attended live summer training sessions focused on C++ programming and basic problem-solving
  - Followed along with concepts of object-oriented programming during the sessions
  - Practiced data structures like arrays and linked lists through guided exercises
  - Solved coding questions regularly to improve understanding and logic building
  - Analyzed and optimized solutions to improve efficiency and performance

- **Social Internship – Community Development | Kashyap Sewa Samiti | Link |** June '24 – July '24
  - Participated in community tree plantation initiatives as part of a social development program sustainability
  - Collaborated with team members to complete tasks efficiently during the drive
  - Supported efforts to raise awareness about environmental conservation among residents
  - Documented the activities and summarized the overall impact in a final report

Certificates

- Programing Proficiency (Java & DSA) by LPU | Link | Sep '24 – May '25
- Participation: Code off Duty (Web Hackathon) by Coding Wise | Link | April 2024
- SQL (Basic) Certification by HackerRank. | Link | March 2024
- Responsive Web Design by freeCodeCamp | Link | Oct 2023

Education

Lovely Professional University Punjab, India
Bachelor of Technology - Computer Science and Engineering**; CGPA: 6.6** Since August 2023

DPTS College Bihar, India
Intermediate; Percentage: 62.2% April 2021 - March 2023

Gov.+2 High School Bihar, India
Matriculation; Percentage: 63.2% April 2020 - March 2021
